

Canada's polymer notes

Secure • Durable • Innovative

Feel the smooth, unique texture of the note. It's made from a single piece of polymer with some transparent areas.

- Metallic portrait
- Large window
- Transparent text
- Small numbers
- Maple leaf border
- Metallic building

Frosted maple leaf window Hidden numbers Raised ink

Flip the note to see the features in the large window repeated in the same colours and detail on the other side.

- Metallic portrait
- Small numbers
- Metallic building
- Maple leaf border

Same security features on the \$100 and \$50 notes
