

Central Bank Network for Indigenous Inclusion

est. 2021

We share knowledge and best practices, promote engagement with Indigenous Peoples, and foster greater dialogue, understanding and education about Indigenous economic issues and histories.

Collaborating in the Network:

Bank of Canada
Te Pūtea Matua (Reserve Bank of New Zealand)
Reserve Bank of Australia
Federal Reserve Board
Indigenous Partners

For more information:
reconciliation@bankofcanada.ca

- Conduct research for and with Indigenous peoples on economic issues.
- Build cultural awareness, recruitment practices and other aspects of corporate culture to foster Indigenous inclusion within member organizations.
- Strengthen engagement practices with Indigenous groups and communities.
- Support economic and financial education for and about Indigenous peoples.
- Host the Central Bank Symposium on Indigenous Economics (June 2023)
