Request ID	Request Description	Final Disposition	# of pages delivered
A-2021-00028	Records of communications between the Government of Canada (including and not limited to the Treasury Board of Canada Secretariat, the Privy Council Office, the Prime Minister's Office, and other ministerial offices) and the Bank of Canada that are about the government's COVID-19 vaccination mandate or the directive or request that was made to the Bank of Canada to develop a COVID-19 employee-vaccination policy or about the Bank of Canada COVID-19 employee-vaccination policy. The respondent period is from March 11, 2020 (date the World Health Organization declared the COVID-19 pandemic) to the present. Any communications that would specify the nature of the government's directive or request to the Bank of Canada to develop a vaccination policy, and what the government expects the Bank's policy to establish.	All Disclosed	197

Completed Access to Information Requests – April 2022

Request ID	Request Description	Final Disposition	# of pages delivered
A-2020-00015	Any internal communication sent or received by the Governing Council and the Monetary Policy Review Committee as well as the leadership team in Canadian Economic Analysis (CEA) department pertaining to how to monitor, analyze and forecast inflation during the COVID-19 pandemic. Any internal communication pertaining to: 1) the reliability or accuracy of Statistics Canada's total CPI as a measure of changes in Canadians' cost of living since the COVID-19 pandemic began to have a significant impact on consumer spending behaviour in Canada; 2) opinions of the Bank's employees about whether the total CPI, which uses fixed weights from 2017, remains the most relevant measure of the cost of living for most Canadians when there are significant changes in Canadians' consumption habits; 3) the merits of using inflation indicators other than Statistics Canada's total CPI during the COVID-19 pandemic.	Disclosed in Part	470
