Forward Agenda: Consumer-Driven Banking Industry Advisory Committee (CDB ADCOM)

Purpose of forward agenda

This document provides a tentative list of future agenda topics to help industry participants prepare and bring appropriate experts from within their organization to the discussion. Tentative topics are listed below and can be adjusted as required as other implementation topics arise.

Standing Agenda Items

General (5-10 mins)

- Housekeeping/Review previous meeting minutes
- Additions to agenda items

What we've heard (10 mins)

- Review Input/feedback received from industry since our last meeting

Department of Finance update (as needed). May include:

- Regulatory process and Coming-into-Force (CIF) plans
- Standards and Technical Standards Body (TSB)
- Other items: e.g., External Complaints Body (ECB)

Bank of Canada update (as needed). May include:

- Guidance plans, content, and timing
- Technical build update

Rotating Agenda Item(s) (~1 hr)

Monthly deep-dive with members and their subject-matter experts. Tentatively:

- **July: Trust framework – identity verification and registry integration**
- Aug/Sept: Technical standards development and integration, frontier AI threats.
- Oct/Nov: Accreditation requirements and process and regulatory compliance
- Dec/Jan: Launch options
- Other topics as required or requested

Standing wrap-up (5-10 mins)

- Meeting summary and questions for industry
- Next steps
